Food Pantry Guide

A guide to food pantries across Clinton, Essex, Franklin,
Fulton, Hamilton, Warren, and Washington counties.

The Adirondack Rural Health Network (ARHN) is committed to enhancing access to healthy, affordable food for community members throughout the North Country region.

Through collaboration with the Regional Food Bank of Northeastern New York and local county public health departments, ARHN has developed a guide that identifies free food pantries and food distribution sites, available to community members, across Clinton, Essex, Franklin, Fulton, Hamilton, Warren, and Washington counties. We hope that this guide serves as a directory for individuals and families in need of free food.

This guide may not be reflective of all available food resources in the region.
