The Adirondack Rural Health Network (ARHN) is committed to sharing local parks and recreation areas for community members to enjoy, throughout the North Country region.

Through collaboration with the local county public health departments, ARHN has developed a guide that identifies parks and recreation areas across Clinton, Essex, Franklin, Fulton, Hamilton, Warren, and Washington counties. We hope that this guide serves as a snapshot for individuals and families seeking outdoor recreation.

New York State Legislation S.4142/A.5061 prohibits smoking in public parks and beaches. Please keep our parks clean and safe for all to enjoy.

This guide is not reflective of all parks and recreation areas in the region.
